25. Except in the circumstances described in clause 24, this Agreement is considered to be written agreement of the Parents for any activity organised and/or supervised by the School, including trips and physical activities, regardless of whether agreement is sought from domestic students in relation to the same activity.
26. Unless otherwise agreed in writing by the parties, this Agreement is considered to be written agreement for leisure travel or stays organised and supervised by the Student's Residential Caregiver where the travel is within New Zealand for a period of not more than seven days and does not result in the Student missing any scheduled school days.

Code of Conduct

(Schedule One)

Code of Practice for the Pastoral Care of International Students

New Zealand education providers have an important role in ensuring the well-being of their international students. The Code sets out the minimum standards of advice and care that are expected of education providers for international students. This ensures students coming from other countries to study in New Zealand are well informed, safe and properly cared for.

The New Zealand qualifications Authority (NZQA) is the administrator of the Code on behalf of the New Zealand government.

Further information about the Code is on the NZQA website:

<https://www.nzqa.govt.nz/providers-partners/education-code-of-practice/>

Shirley Boys' High School – Rules for International Students

Shirley Boys' High School has rules for students applicable to both domestic and international students (<https://shirley.school.nz/students/rules-guidelines/>). In addition to the school rules there are rules International students must follow. All rules are for the welfare, care and protection of the students. Some of the rules are based on national and local laws. Failure to comply with the following rules and requirements can lead to disciplinary action, possible dismissal from Shirley Boys' High School and immediate return to the student's home country.

Attendance

Students must attend all classes on time including Form Periods and assemblies. A doctor's certificate is required for any absence longer than 3 consecutive days or if the student misses an NCEA examination. The International Director or Administer must approve absence for any other reason. Students wishing to graduate must have a yearly attendance rate of a least 90%.

Homestay

Homestay family rules and expectations are to be respected and obeyed. Students must be polite, courteous and respectful in their homestay. Students should keep their room tidy and help with general chores e.g. clearing the table after dinner. The student is expected to be home for all evening meals. If they wish to dine out they must ask host permission. Students will not stay away from home overnight unless they have the permission of the International Director or Administrator.

Curfews

During the week (Sunday – Thursday), all students are expected to be home by 6.00pm in summer and 5.00pm in winter unless they have asked for approval beforehand. Investigation Policy

(Schedule Two)

1. The following is the School's current policy for dealing with Disciplinary Actions and Welfare Issues. This is not intended to restrict the School's general powers relating to discipline and this policy may be changed from time to time at the discretion of the School.

Overview

2. Except in serious situations where immediate termination of the Agreement is necessary, or where the breach does not warrant any formal response other than a warning, the School will endeavour, where appropriate, to follow a two-stage investigation process (the Investigation Process).
3. In Stage One, the School will investigate and determine the facts of the situation being considered (**the Situation**), and will reach a conclusion on what happened and whether there is a Welfare Issue or an incident that requires Disciplinary Action or the termination of the Agreement.
4. During Stage One of the Investigation Process, the Student will have an opportunity to provide a response to any subject matter being investigated or to any allegation made concerning the Situation.
5. In Stage Two, if the School has determined some response is required, the School will consider the appropriate outcome for the Situation, up to and including termination of the Agreement.
6. During Stage Two of the Investigation Process, the Student will have an opportunity to provide a response to the Situation and any proposed outcome that the School is considering taking (**the Proposed Action**).
7. This policy does not limit the School's power to take appropriate action urgently and without following the Investigation Process if this is necessary having regard to the seriousness of the Situation. Such a determination may be made at any point during the Investigation Process.
8. This policy also does not limit the School's power to suspend the student for the duration of the Investigation Process where suspension is considered necessary for the safety or education of any person.

General Policy

9. When the School is conducting an investigation involving the Student it will endeavour to provide the Student with the following:
 - (a) a written summary of the Situation (as it understands it) or the Proposed Action;
 - (b) an opportunity to respond to the Situation or the Proposed Action, either in person or in writing or both, at the choice of the Student;
 - (c) an opportunity to consider the Situation or the Proposed Action for a reasonable period of time (having regard to the seriousness of the Situation or the Proposed Action) before giving a response;
 - (d) an opportunity to contact his or her Parent before giving a response, unless the delay caused by contacting that person is unreasonable having regard to the seriousness of the Situation or Proposed Action;
 - (e) an opportunity to have an independent support person of his or her choice present at any meeting relating to the Investigation Process;
 - (f) an opportunity to meet with that support person in private at any stage during the Investigation Process;
 - (g) an opportunity to have a translator present (or otherwise facilitate the student participating in the Investigation Process in his or her own language) during any meeting or process if the School or the Student considers that a language barrier means that a translator is required; and
 - (h) a copy of this policy setting out the rights which the Student has when engaging in the Investigation Process.

Stage One: Incident Investigation

10. When the School learns of any incident or any other thing that may be a breach of the Agreement or might otherwise warrant a Disciplinary Action or which may constitute a Welfare Issue, the School will notify the Student of the Situation and will provide the Student with an opportunity to give a response.

Initialed by: _____(parent) _____(student)

11. Where appropriate, having regard to the seriousness of the Situation, the Student will have the opportunity to respond either in person or in writing or both, at the choice of the Student. The School will receive this response and give it genuine consideration before making a decision about the Situation.
12. When the School makes a decision about the Situation it will advise the Student and Parent, in writing if possible, about its conclusion as to what happened and whether it considers that it requires some kind of formal response – whether Disciplinary Action, Termination or other intervention.

Stage Two: Outcome Discussion

13. If the School determines that a formal response is required, it will advise the Student and Parent of the possible actions that it will consider taking in response to the Situation and will provide the Student and Parents with an opportunity to give a response.
14. Where appropriate, having regard to the seriousness of the Situation, the Student and parent will have the opportunity to respond either in person or in writing or both, at the choice of the Student. The School will receive this response and give it genuine consideration before making a decision about the action to be taken.
15. When the School makes a decision about the action that it will take in response to the Situation it will advise the Student and Parents of its decision, in writing if possible. The action will not take effect, and no actions will be taken to put it into place, until the Student and Parents have been advised of the decision.

Refund Policy (Schedule Three)

Requests for a refund of international student fees

 - b. Transfer the amount of any eligible refund to another provider, or
 - c. Make other arrangements agreed to by the Student or their family and the School.

Other circumstances where a refund request may be considered:

Where a student's enrolment is ended by the School

8. In the event the Student's enrolment is ended by the School for a breach of the contract of enrolment or as a consequence of a Welfare Issue, then the School will consider a request for a refund less:
